My Huge Book of RC Cars

Ages 3+ • Things that go

Send a monster truck over a backyard ramp, race a buggy over a dune, and guide a rock crawler through a creek.

Look for pistol-grip controllers, mud splashes, and six different RC track designs. Bold outlines and big coloring spaces give little artists room to try out their favorite colors.

The paperback has 60 single-sided designs on 8.5 × 11 in pages.
